Kgalala Trading Enterprise

Company profile

“ Striving for continual improvement to the extreme point of testing something until it breaks and then analysing why it broke. The results are the after simulated to the future designs and applications”

Castor Hoyane
CEO & Founder

Kgalala Trading enterprise registered with NHBRC and CIBD certificates for building and civil construction.

This enables the company to perform work in excess of 10 million level 7 categories.

The current management has been in construction since 2006 and have completed contracts in excess of 5 million. Kgalala takes pride in fact that all jobs have been completed on time, in a safe and professional manner. Kgalala offers tailor-made construction solution, support our clients and their construction business activates and provide them with comprehensive, packaged high performance working systems that can be used to improve

Kgalala Trading enterprise cc was registered in 2006. The aim of the company was to close the gap that existed in the construction industry of South Africa between emerging and established companies.

Our company uses experts to simplify what is regarded as complex concepts by most organisations on South Africa.

their performance in their construction business over time.

We offer fine tuned instrument in construction management: training manager in construction and renovation, information about the latest technology in construction industry and other related services for flexible options.

All our systems take from the great Japanese philosopher called Kaizen – striving for continual improvement to the extreme point of testing something until it breaks and then analysing why it broke. The results are then after simulated to the future designs and applications

About Kgalala

Kgalala Trading has an on-going safety program that includes random drug screen of our employees. We conduct weekly meeting to cover issues related to jobsite and personal safety. In addition to safety awareness.

Management takes this opportunity to keep our fields personnel informed in matters concerning updated construction schedules and other issues regarding active projects.

Open communication and team work between Management and field personnel plays a significant role on our success . The most fundamental party of Kgalala is our employee. Our people care about job quality. They take the extra step to ensure correctness of work. All work will receive management attention. I work provide jobsite management construction scheduling and communication. It is the company goal as well as employee to give our clients the best experience as possible.

Kgalala committed to RDP and our mission is to empower torically disadvantage individual. Virtually all our employee are people from these communities.

Kgalala Strategy

Kgalala Trading plans to rapidly develop marketing alliances with industry leaders and pursue new sales of its services to residential and commercial builders. The market strategy is to capitalize on construction by securing private sector and government contracts.

Kgalala Trading will be committed to ensuring that the products used on its' customers job sites, everything from access equipment, is safe and OSHA approved. Along with clients, the company believes in a health and safety initiative that is all pervasive, managing any potential loss in the work environment.

Kgalala Trading will develop sophisticated solutions for some of the most complex construction projects being done today. Kgalala's standard systems will be versatile and completely adaptable to a variety of configurations With that in mind, Kgalala Trading will adopt a corporate strategy that is dedicated to improving the performance of activities on the critical path of its customers' projects. Kgalala will do this by building on its core strengths: innovative equipment, design engineering expertise, and project and site management, within an environment of safety excellence.

Kgalala's Values

Kgalala is a company with vast capabilities. We construct large and significant projects, and stay competitive on smaller-scale work as well. Our core values are straightforward and reflect our people. On every project, no matter the size, our knowledgeable long-term managers, engineers, supervisors, and craftsmen incorporate our proven management practices, which are grounded by our core values of safety, integrity, care for our employees, excellence, and responsibility.

OUR VISION...

Kgalala Trading Enterprise will be the contractor of choice for construction services and solutions in the heavy civil, marine, and transportation markets by exceeding customer expectations and providing unsurpassed value.

SAFETY...

Provide an environment in which our employees can do their extraordinary work without getting hurt.

INTEGRITY...

Conduct our business in a legal and ethical manner; build lasting relationships through honesty, respect, and trust with our employees as well as our business partners.

RESPONSIBILITY...

Be good stewards of the environment and supportive of the communities in which we work.

OUR MISSION...

Kgalala Trading Enterprise will safely deliver superior quality work to our clients by actively embracing our core values:

CARE FOR OUR EMPLOYEES...

Recognize that our greatest asset is our people by providing them with opportunities and support to help them reach their full potential, fostering personal responsibility in the process.

EXCELLENCE...

Skillfully execute our work, utilizing innovation and ingenuity, so that we provide a high-quality finished product and excellent customer service.

Management Team

Kgalala has a strong management ethos that is a managerial approach that focuses on the strengths of the employees and team members. This method accepts that all employees have both strengths and weaknesses and uses the strengths to improve on those weaknesses

The CSD does not automatically verify foreign company registration number, international securities identification number, foreign identification numbers, foreign passport numbers, work permit numbers, foreign bank accounts, B-BBEE, demographic and accreditation information. Organs of State are required to manually verify this information with the applicable verification institutions as per their current policies and procedures.

CSD REGISTRATION REPORT

Tips and Frequently Asked Questions (FAQ)

Identifier

CSD cannot electronically verify the identity of a supplier other than a South African Individual / Sole Proprietor (through Home Affairs) or a company registered at the Companies and Intellectual Property Commission (CIPC). For this reason, a disclaimer is displayed for supply chain practitioners to obtain supporting documentation to verify the identity and legitimacy of a supplier in these cases.

Bank

For help on how to resolve bank failures click here: [I received an email stating the bank information I captured on the CSD was sent for bank account validation and could not be validated. The response received from the bank contains an error message.](#)

The various possible error messages received from the bank are highSemiBolded in red. Search for the applicable message and follow the detailed steps associated with that error message.

Tax

Tax Compliance Status

For help on how to deal with tax status differences between CSD and the tax clearance certificate click here: [What should a supplier do if the tax status on CSD difference from the tax clearance certificate?](#)

Tax Compliance Expiry Date

For help on how to deal with tax status differences between CSD and the tax clearance certificate click here: [How does CSD determine the tax compliance expiry date?](#)

CIPC

Should the director/member information reflected on the CIPC registration report differs to that reflected on CSD for help click here: [The active Directors/Members are not being populated on the CSD Directors/Members screen as they appear at CIPC. how can I rectify this?](#)

State Employee

For more information pertaining to government employment status click here: [Will there be verification done to identify if a supplier is a government employee?](#)

BBBEE

CSD does not automatically verify all certificate information with the various accreditation bodies. Organs of State are required, where not automatically verified by CSD, to manually verify this information with the applicable accreditation body as per current policies and procedures. Expired certificate information do not reflect on the report.

RESTRICTION

Restricted Supplier - A supplier is restricted by using the identification number of the entity e.g. CIPC registration -, trust -, Social Development non-profit -, South African ID -, Foreign company registration number or ID number. If there is more than one CSD Supplier profile registered on CSD with the same entity identification number, all those related supplier profiles will be restricted.

Restricted Director - A director/owner is an individual person and is restricted by using the South African ID or Foreign ID number. If a director belongs to different companies and has been restricted, the director will reflect as restricted in all companies where identification number is detected.

Restricted Suppliers & Directors are listed on CSD under Help - [Am I restricted?](#)
